### **1.1. General remarks**

The author reserves the right not to be responsible for the topicality, correctness, completeness or quality of the information provided. Liability claims against the author regarding damages of a material or conceptual kind that have been caused by the use of incorrect or incomplete information, will be categorically rejected insofar as no demonstrably intentional or grossly negligent fault lies on the part of the author. All offers are non-binding and without obligation. The author expressly reserves the right to amend, change and/or partly or completely delete either parts of the website or the complete publication including all offers and information without separate announcement. The author reserves the right to edit, adjust and change the texts in the registration forms for entry into the web catalogue.

### **1.2. Property procurement**

All offers and specifications are exclusively designed by Dr. REISE & PARTNER for the intended recipient. This person is obliged to treat the offers and specifications confidentially and not forward them onto third parties. Should the recipient pass on the received information to third parties anyway, and should this result in a transaction with the third party who has been informed either directly or indirectly, the recipient of the company Dr. REISE & PARTNER GmbH is obliged to pay for any fees that arise in the case of a conclusion of a contract presented by Dr. REISE & PARTNER GmbH. Should the recipient already have received an offer of the same property, he is obliged to inform the company Dr. REISE & PARTNER GmbH of this in writing with enclosed evidence within 5 days. The company Dr. REISE & PARTNER GmbH is then also entitled to the agreed fee if a commercially identical or similar business deal materialises in the place of what was initiated. The fee is incurred upon conclusion of a legally signed contract. Upon completion of the contract, the fee is acquired and is due for payment. Entitlement to a fee also arises if the recipient acquires an evidenced property via the process of the compulsory sale. The conclusion of a purchase contract between the recipient and the proprietor of the offered property is not necessary. The entitlement to a fee arises from a transfer of ownership act which is regulated by public law.
